ADELAIDE

MEDIA RELEASE
10 June 2019

His Excellency the Honourable Hieu Van Le AC has accepted a request from The Premier, the Honourable Steven Marshall MP, that he continue to serve in the office of Governor of South Australia until 31 August 2021.

“It is my great privilege to have been asked to serve the state of South Australia for a further two years” His Excellency said.

“To have been appointed to this office filled me with humility and honour.

“I was and remain fully aware of the responsibilities to the people of South Australia which have been entrusted to me.

“I will continue to discharge these constitutional, and together with my wife Lan, ceremonial and community duties, with commitment and pride.

“We will continue to draw strength and inspiration from the stories of the South Australians we meet, from all backgrounds and walks of life.

“I believed then and continue to believe that my appointment was a powerful symbol reflecting the inclusive and egalitarian society we enjoy in our State.

“Lan and I will continue to contribute all that we can to promote and advance our wonderfully diverse, dynamic and harmonious community.”
